1. Presentation of the Closed Agenda

Larry Imbeault presented the closed agenda (appendix).

2. 2023 Negotiations

Larry Imbeault introduced the item.

At the E3 sector council meeting last night, the conciliator's recommendation was rejected. This recommendation aimed to end the E3 negotiations with everything that has been agreed to date but by referring to an arbitrator the only subject which constitutes a dispute, namely the employer's request to include in the collective agreement a text relating to criminal records and that the arbitrator renders a decision which would be enforceable in the proceedings.

Earlier today, the CSB spokesperson gave an ultimatum to Catherine Huart: if we do not accept their request on criminal records, they will cancel the **already granted** increase in an administrative premium. We have until 8:00PM to answer. Regarding the S8 negotiations, the President had received a call from the employers' negotiations coordinator, Nicolas Payette, who informed him that the offer to increase the administrative premium was only valid until 8:00PM today. If the AENQ accept it, it would be conditional on the acceptance of their demand on criminal records.

Catherine Huart is mandated to inform CSB spokesperson that the AENQ rejects any ultimatum and threats at the E3 table. The President is mandated to do the same with Nicolas Payette for the S8 negotiations.

3. Adjournment

Meeting ended at 6:30PM.
